Today's lessons:

- Jeremiah 18:1-11 God sends Jeremiah to watch a potter at work. Just like the potter forms vessels on his wheel and reworks a misshapen one until he likes the result, so God works on the people he has created.
- Psalms 139:1-6, 13-18 God knows us inside and out, much better than we know ourselves – after all it was he who created us and formed us.
- Philemon 1-21 The Apostle Paul writes to a Christian named Philemon, asking him to take a runaway slave back into his household as a brother in Christ.
- Luke 14:25-33 Jesus makes it clear to his would-be disciples that those who want to follow him cannot compromise. The only thing that counts has to be Jesus Christ.
