The Resurrection of Our Lord
April 17, 2022

Easter is the most important festival in the Christian calendar. We celebrate the resurrection of Jesus Christ, after his crucifixion on Good Friday. Christ's death and resurrection are the centre of the Christian faith. And because it's so important, Easter is celebrated not just on one day, but for 50 days – until Pentecost!

Today's lessons:

In the service today, you might hear other readings than the ones here; but whatever is read – all the lessons today are connected with the Gospel of the resurrection of Jesus Christ, and what this means for us.

- Acts 10:34-43 The apostle Peter gives a short sermon that summarizes the Christian faith, centred on Jesus' resurrection.
- Psalms 118:1-2, 14-24 God has shown us mercy and has saved us from death.
- 1 Corinthians 15:19-26 When Adam committed the first sin, that had consequences not just for him, but for all human beings: they all had to die. Similarly, the resurrection of Jesus means not just that Jesus is alive, but that we, too, have eternal life through him.
- Luke 24:1-12 When the women who had been following Jesus, come to the tomb on Sunday morning, the body of Jesus is gone. Instead there are two strange men.

To Find or Not to Find

While the women may not find the body of Jesus, you hopefully will find the words from Psalm 118!

Told you so!

If the women had listened more carefully to what Jesus said, then they wouldn't be looking for Jesus among the dead now. Can you decipher the mystery of Easter?!
