

Relentless

The apostle Paul refuses to say what people want to hear. Instead he insists:

IF APRIL, CIRCUMCISE THE CROWD.

Stop, wait, wasn't Paul *against* circumcision for the Gentiles?! — Are you just as confused as the letters here or can you figure out what Paul really says?!

Third Sunday in Lent

March 3, 2024

Today's lessons:

- Exodus 20:1-17 After they have escaped from slavery in Egypt, the Israelites come to Mount Sinai where God gives them their very own law: the Ten Commandments.
- Psalms 19 God has given a marvellous order to the universe, and with the Law he has also given a perfect order to his people.
- 1 Corinthians 1:18-25 When Paul is preaching the Gospel, he is talking about the cross on which Jesus died for us, because that is the only way to salvation – even though people don't like it.
- John 2:13-22 When Jesus comes to the Temple in Jerusalem, he takes possession of his Father's house by chasing out all who want to use it for their own profit.
