

Fallen From Grace

The letters here seem to have had a fate similar to that of Satan in Revelation: they, too, have fallen. If you lift them up again and restore them to their rightful places, they tell you what has happened.

HONESTLY! SO DESIRABLE GHOULS.

What?! — It wasn't ghouls we were celebrating today!
 But if you just change the order of the letters, the phrase turns into a proper line from today's psalm:

_____ .

Michael and All Angels

September 29, 2024

St. Michael is one of only two archangels mentioned by name in the Bible (the other being Gabriel). His name means "who is like God?". Although angels appear in the Bible from the days of Creation, they do not have individual names until the Jews return from the captivity in Babylon. The archangel Michael is called by name for the first time in the book of Daniel. Michael appears also in Revelation. Both books have in common that they were written as a comfort to the believers during times of great persecution.

Today's lessons:

- Daniel 10:10-14; 12:1-3 Daniel learns from an angel that Michael, a prince among the angels, will come to protect the people of Israel at a time of anguish.
- Psalms 103:1-5, 20-22 Among all of his creation, the angels, too, bless the Lord.
- Revelation 12:7-12 Michael drives the forces of evil out of heaven.
- Luke 10:17-20 That Satan has been driven out of heaven benefits the believers on earth.
